

NMFAC Swim Parents,

Attention: Change in NMFAC Swim Enrollment

Effective January 2022, parents/legal guardians will be required to complete a liability waiver and child registration sheet for each swimmer.

Prior to the start of the 2022 swim session, we will require completed and signed liability and registration forms for each swimmer, which you can deliver to our front desk or provide to the instructor on the first day of class. You can pick up paper copies at the front desk or you can download and print the forms via our website www.nmfac.com.

Please note: Completion of a signed waiver and registration form is mandatory and required for EACH child. Swimmers will not be allowed to participate in swim lessons or enter the pool until NMFAC is in receipt of the signed forms.

Thank you in advance for your cooperation.
